possibility for tax professionals to develop, grow and work in an international environment. We offer realistic, high quality bespoke solutions. Our tax lawyers assist national and international clients in matters of taxation, including structuring of investments and financing, transactions (mergers and acquisitions, private equity and real estate) and the prevention and/or resolution of tax disputes (including tax litigation). Our Tax team covers a broad range of areas and sectors and works closely together with other specialists within Dentons.

If you are seeking to enhance your career in a progressive and challenging work environment, please send your CV and covering letter in Dutch with supporting documents, detailing why you are the right candidate for this position via email to:
