Overview

Dieuwke Kist a member of the Public Law team since 2015. She specializes in planning and zoning law, and has extensive experience in project and area development (including contracts with the government and government liability), environmental law and soil pollution.

Dieuwke also advises and litigates on general administrative law and regulatory matters, particularly in the field of financial law and in private property issues, specifically on owner-occupied and rental agreements.

Experience

- **Leading international metal recycling company:** Advising on planning, environmental law and regulatory issues.
- **Various municipalities:** Advising and litigating on environmental, planning and regulatory issues.
- **Dutch financial regulator:** Advising and litigating on regulatory issues.
- **Various clients:** Advising and litigating on environmental and planning issues.

Recognition

- *Legal 500* 2018: Environment and planning: Dieuwke Kist is "a knowledgeable, practical, tactical" associate
