

## Overview

Combining the various areas of employment law, the Employment and Labor team provides comprehensive advice on all advisory, transactional and contentious issues, including:

- HR compliance
- Employment contracts and conditions
- Collective/individual dismissal
- Employee participation and works councils issues
- Acquisitions and reorganizations
- Collective labor agreements and social plans
- Cross-border employment and immigration advice
- Insourcing and outsourcing projects
- Transfer of undertakings
- Employment advice for start-ups
- Strategic employment related advice
