

## Overview

The Dentons Boekel Restructuring, Insolvency and Bankruptcy team has a very clear focus on restructurings, company restarts and directors' liability issues. The team has in-depth and extensive experience in international insolvency matters. The team is a trusted advisor of boards in and out of crisis situations and represents shareholders, supervisory boards and management boards in corporate conflicts involving distressed companies.

Members of the team are appointed on a regular basis as bankruptcy trustees.

Areas of focus include:

- Bankruptcy reports (in Dutch only)
