## Overview

Rogier van der Weijden is an associate in the Corporate and M&A practice at the Amsterdam office of Dentons Boekel. He focuses on domestic and cross-border mergers and acquisitions and other general corporate matters. Rogier advises both national and international public and private companies, including leading service providers, industrial and financial organizations and private equity firms.

## Experience

- **VELUX Group:** Advising VELUX Group, the roof windows and skylights manufacturing company and market leader in the residential market for roof windows for more than 75 years, on its acquisition of JET Group from Dutch investment company Egeria. The transaction was signed in October 2018 and closed in November 2018, following clearance from the competition authorities in Germany and Austria.
- **Kohlberg Kravis Roberts (KKR):** Advising on its €6.825 billion acquisition of Unilever's Baking, Cooking and Spreads Business, which won the European Private Equity Deal of the Year; "KKR deal wins European Private Equity Deal of the Year at The Deal Awards Europe 2018", November 7, 2018.
